EXPRESS SHELVING

We are glad to introduce you the new EXPRESS SHELVING SYSTEM.

This system has been designed to move and carry goods of all dimensions. With simple gestures, in fact, you can suit the rack to any kind of load.

This solution is especially suitable as equipment for parcel services, such as DPD, DHL, UPS, GLS etc., as it optimizes the loading compartment and ensures the transport of big and small packets as well as bulky parcels.

IMPORTANT HINT: for the installation of the EXPRESS SHELVING SYSTEM a divider sidewall between the loading compartment and the passenger compartment is required.

EXPRESS REGAL

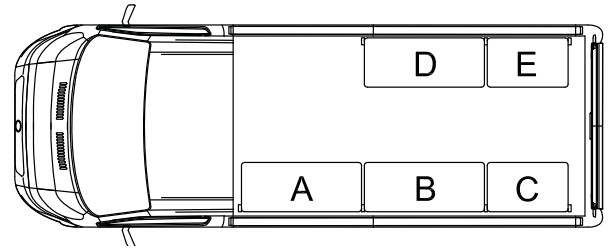

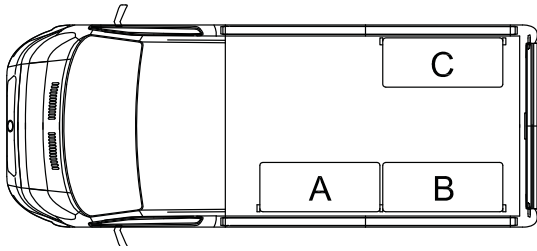

Wir freuen uns, Ihnen das neue Express Regalsystem vorstellen zu können.

Das System wurde entwickelt, um verschiedenste Waren in allen Größen zu transportieren. Mit einfachen Handgriffen können Sie das Regal der jeweiligen Ladung anpassen. Diese Regallösung eignet sich besonders als Einrichtung für Paketdienste wie z.B. DPD, DHL, UPS, GLS usw., da sie den Laderaum optimal ausnutzt und für einen sicheren Transport von großen und kleinen Paketen sowie sperrigem Ladegut sorgt.

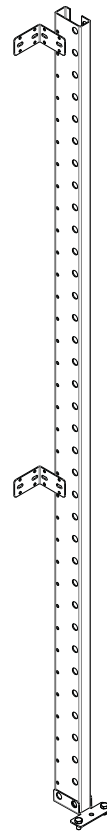

WICHTIGER HINWEIS:

Für den Einbau der Express Regale ist eine Trennwand zum Fahrgastraum vorgeschrieben!
